

Directions

From **WEST A610/A38 junction/roundabout** take the **exit** at the roundabout heading for Ripley Town Centre. Continue up the hill into the town. As you join the one way system (Church Street), take the left hand lane and bear left on the **B6179** (Butterley Hill). Now follow the instructions from the second paragraph describing the directions from the town centre below.

From **SOUTH A610** take the left exit onto **B6441** (Nottingham Road) heading for Ripley Town Centre (signposted Midland Railway Centre). Follow the B6441 until you reach Ripley Town Centre then follow the directions for Town Centre route shown below.

Directions

Travel along the **B6441** (Nottingham Road) until you reach the one way system around Ripley Town Centre. Follow the left hand route onto the **B6179 (Grosvenor Road)** follow the B6179 to the traffic lights then take the right turn continuing on the **B6179 (High Street)** until the next junction. Turn right at this junction onto **Church Street** continuing to follow the **B6179** to the next junction. At this junction bear left continuing on the **B6179 (Butterley Hill)** past Lidl on your left.

Continue on **Butterley Hill (B6179)** for some distance until you see the **Butterley Reservoir** ahead of you. After negotiating a sharp right handed bend, with the reservoir on your left, you will see the **Midland Railway - Butterley** signposted a short distance from this bend.

Please be aware that the turn into the Midland Railway - Butterley car park is a tight left turn just before the bridge, please take care. Our car park is free and is your start point for your visit. Butterley Station is adjacent to the car park where the entrance is marked.

"Enjoy your visit with us here at the Midland Railway - Butterley"
